

Training Courses

January 2018

Unless otherwise noted, the following courses are currently scheduled at our Colorado Springs, Colorado location...

| Date | Title | Cost |
|-----------------------|---|-------|
| April 18-20, 2018 | Basic GASCalc & GASWorkS | \$695 |
| June 13-15, 2018 | Basic GASCalc & GASWorkS | \$695 |
| September 12-14, 2018 | Basic GASCalc & GASWorkS | \$695 |
| Upon Request | Basic GASCalc | \$495 |
| Upon Request | Basic GASWorkS | \$495 |
| Upon Request | Basic StationManager | \$495 |
| Upon Request | Basic GASWorkS For Transmission & Gathering Systems | \$495 |

If you are interested in **GASCalc** only training, you may attend during one of our two scheduled courses. The GASCalc training will occur on the first day of the courses listed above. The cost of the GASCalc only course is \$495.

If you are interested in **GASWorkS** only training, you may attend during one of our two scheduled courses. The GASWorkS training will occur on the second and third days of the courses listed above. The cost of the GASWorkS only course is \$495.

If our course schedule does not meet your needs, we can conduct any of the courses at other times to meet your individual or group needs. We can also provide individually tailored courses at your site or ours, and can schedule additional courses upon request. Please contact us, training@b3pe.com, to discuss your specific training needs. Visit our website www.b3pe.com for additional courses, course descriptions, and registration information.
