

StationManager™

Price List

StationManager is sold on a per license basis, each purchased copy of the software represents one License. Discounted prices are available for multi-copy purchases. Some versions of StationManager require the use of a hardware key to operate, the key must be present for StationManager to be completely functional. If a key is required, one key is provided with each purchased copy of the software. Prices include ground shipping to destinations within the continental United States. Other shipping methods are available, at additional cost. International sales require pre-payment before shipment. International shipments are plus shipping charges.
